Limbo is an adventure puzzle game in which you have to find your way out of a dark, abandoned amusement park. You are very alone in the dark, and only with your flashlight can you see around you. To find your way out, you will have to use your brain. There are objects in your path that can be used to get out of the situation. Some of them are more dangerous than others, but you have to try to avoid them. The game is very simple to play, but you have to be very careful. You can use your flashlight, or you can use your supernatural powers to see into the darkness. You can also interact with the environment, solve puzzles, and play mini-games. What's new in LIMBO 1.20 MOD: * New game mode - Classic Mode. * Ability to play with a friend. * New sound effects. * More beautiful graphics. How to play LIMBO 1.20 MOD: 1. Install the game. 2.
